

#1277 - CITRUS FG

ALL NATURAL FOOD GRADE CLEANER AND DEGREASER

all natural and biodegradable
(FORMERLY NAMED CITRA SOLV FG)

TYPICAL PHYSICAL CHARACTERISTICS

Flash Point, /F	113
Refractive Index	1.4705
Boiling Point, /F	325
Kauri-Butanol Value	59.5
Acid Number, mg KOH/g	0.03
USDA Classification	K1
Net Weight per Aerosol	14 oz (397g)
Net Volume per Aerosol	20 oz
Color	Clear
Odor	Mild Orange

Chem-Pak's #1277, Citra-Solv FG, is a heavy duty, food grade cleaner and degreaser that will easily remove dirt, oil and grease from most surfaces. **Citra-Solv** is all natural, biodegradable, nontoxic, and non-caustic. It is listed by the FDA and FEMA as GRAS (generally recognized as safe). It is not hazardous as defined by OSHA (29 CFR 1910.1200) and is not listed on California's Prop. 65 toxic substance list.

USE: Cleans knives, saw blades, tools, cutters, equipment, tables, painted surfaces, conveyors, and other hard surfaces; suitable for use in inedible product processing areas, non-processing areas, and other such areas. Not to be used where direct contact with food may occur or for masking odors.

Authorized by *USDA* for use in federally inspected meat and poultry plants. *USDA* letter of acceptance available upon request.

DIRECTIONS: Shake can well before use. Can temperature should be 65/F or warmer. (**WARNING:** *Never use direct heat to warm aerosol cans! Only warm water should be used!*)

Spray liberally onto surface to be cleaned and brush or scrub. For hard to clean soils, spray area and allow to sit for several minutes and clean as usual.

Do not apply in areas that contain foodstuffs. Remove items to be cleaned from foodstuff area or assure that foodstuffs are completely covered or removed.

Available in 14 oz. aerosols.
