

# #1311B - CITRUS DC

## NATURAL CLEANER AND DEGREASER water rinsable and biodegradable (FORMERLY NAMED CITRA-SOLV)

### TYPICAL PHYSICAL CHARACTERISTICS

Flash Point, /F	115
Specific Gravity, g/cc @ 60/60/F	0.85
Weight, lbs/gal @ 60/F	7.1
Refractive Index	1.4711
Boiling Point, /F	310
Kauri-Butanol Value	62.7
Acid Number, mg KOH/g	0.14
ODC Content, Wt %	None
Net Weight per Aerosol	14 oz (397g)
Net Volume per Aerosol	20 oz
Odor	Strong Citrus
Color	Clear

**Chem-Pak's #1311B, Citrus DC**, is a heavy duty cleaner and degreaser that will remove dirt, oil and grease from most surfaces easily. **Citrus DC** is natural, biodegradable, water rinsable, nontoxic, and non-caustic. It is listed by the FDA and FEMA as GRAS (Generally Recognized As Safe), is *not* hazardous as defined by OSHA (29 CFR 1910.1200) and is *not* listed on California's Proposition 65 toxic substance list.

**USES:** Cleans knives, saw blades, tools, equipment, tables, painted surfaces, conveyors, hard surfaces, machinery, industrial equipment, materials handling equipment, and electric motors. Makes a superb engine degreaser ... just spray on ... wash off!

Authorized by USDA for use in federally inspected meat and poultry plants. For USDA letter of acceptance, please inquire.

**DIRECTIONS:** Shake can well before use. Can temperature should be 65/F or warmer. (**WARNING:** *Never use direct heat to warm aerosol cans. Only warm water should be used!*)

Spray surface to be cleaned liberally and brush or scrub. For hard to clean soils, spray area and allow to sit for several minutes and clean as usual. If desired, cleaned area can be rinsed clean with water.

Available in 14 oz. aerosols, 5 gallon pails, and 55 gallon drums.
